LESSON THREE: WEEK# 4

INTRODUCTION:

**TOPIC: Branches that produce More Fruits**

### **Branches that produce More Fruits**

These are people whom God have placed in their potential calling. Jesus called his disciples into the ministry that they may learn from his teaching. From his example, people have chosen workers who should follow his footsteps, such as those who have become: Believers, Priests, Evangelists, Pastors, Bishops, Deacons, Elders and etc. These people should commit to their perspective calling. They should live their lives according to the directive work of Christ which God has directed them to do. To these days, many of those are being prosecuted for their faith in God. They have turned their back to the world. They are hungry for souls which they should win from the world of evil to the kingdom of God. They looked upon Him (Jesus) who draws all men unto Himself. The Bible say if He is lifted high, he will draw all men unto him. These branches have a hope to go out and tell people about the new kingdom. This is not made by men but by God. They have stood firm despite that they are insulted for their faiths. The Bible has clearly explained how Apostle Paul and Stephen were prosecuted for their faith. Stephen was stoned to death for his faith. They were put in prisons, because of proclaiming the Gospel of salvation to the gentiles. They were chained for the Gospel of Jesus Christ. When the Holy Spirit came upon them, they preached the Good News of Salvation to places where they were not allowed to preach. Their voices were heard from Judea unto the outmost preaching the Gospel. They were not afraid for the Gospel. If they were the

first people to experience persecutions, why should we be afraid of letting our voices be heard for the Gospel? When it comes to telling others about God's words, we feel down curse? Jesus said, let there be more fruits, and God may prune them that they may become more fruitful. The Gospel of Jesus Christ is life to them who fear him. Gospel is burdensome to them who are willing to face the second death by fire. God is sending a message to the 21<sup>st</sup> century's: believers, pagans, doctors, prostitutes, robbers, abortionists, adulteress, fornicators, murders, thieves, drugs addicts and pornographers, that "Gospel is the gateway to heaven." Because Jesus said, unless you are born again then you will not go to the kingdom of Heaven. It is through salvation which we must all be saved. It is through Jesus Christ's name that we must find salvation and we must all be saved. He is not happy when He sees one of His sheep going to hell. He cares for all the sheep that they may all go to heaven for eternity.

### **Branches that do not produce more fruits**

These are people who have heard the Good News of Jesus Christ, but they had been overcome by worries of this life. Their faiths have been tested, but it fades away. These people have become ignorant of the Gospel of Salvation. They are wanderers, and they do not know whose voice to hear; either God's voice or the devil's voice? Their own deeds have led them astray. Their faiths have become coolants that it does not produce more fruits. God would send them out into the world (eternal hell) of weeping and sorrow, because they are fruitless. They have hidden their treasures in the soil with insufficient water for living. Jesus is the source of the spring water of life. They have said no! To the call of God, but have said yes to the voice of the devil. It leads their lives to the emptiness of hell where their works will not be rewarded. But one day God will come back to them. He will ask them for where their full deeds on earth are hidden? There will be no chance for them to hear the Gospel or even preach it to the lost. It will be too late for them to put together what their empty work deserved, because their seeds were not planted into the fertile ground for souls. They will face the sulfuric fire of hell forever. Please put your thoughts together and Discuss, the effect of sulfuric fire upon human bodies, for those who refuse to give their lives to God, before they died.

## **We must keep our souls to remain blameless**

*“For then there will be a great tribulation, such as has not been since the beginning of the world until this time, nor, ever shall be [Mt. 24:21] [NIV]*

*“And you will hear of wars, and rumors of wars. See that you are not troubled; for all these things must come to pass, but the end is yet to come. For nation will rise against nation, and Kingdom against Kingdom. And there will be famines, and pestilences, and earthquakes in various places. All these are the beginning of sorrows” [Mt 24: 6-8] [NIV]*

If we think of these quotes: “**Earthquakes**” “**Famines,**” “**Pestilences**” “**wars, and rumors of wars**” “**Nation will rise against Nation, Kingdom will rise against Kingdom.**” What could we say about the millennium? What are the facts about thousands years? What does thousands years mean to this generation? Jesus prophesied about “thousand years” as time for God’s fulfillments for things that are coming to past during thousands years. These prophecies were foretold since the beginning of time. These things were spoken by prophets of how this world should look like as of today. Jesus had made them known to the people of his generation. These problems which we are facing today are part of the prophecies. What can we say, then if we are not living in the end of the age? The Bible has become one of the books of prophecies. It is being used as a diary and guideline for the things which are happening now, as recorded hundreds years ago even before the happening of these disasters, as quoted, “It was reported at 0059 GMT on 26<sup>th</sup> December 2004, a magnitude of 9.3 earthquake ripped apart the seafloor off the coast of northwest Sumatra” as quoted by Helen Lamoure, the BBC World News Broadcaster in South east Asia. “It was the fastest devastating Tsunami that traveled thousands of Kilometers across the Indian Ocean, taking the lives of nearly 300,000 people in countries as far apart as Indonesia, the Maldives, Sri Lanka and Somalia.” she quoted. “Tsunami disaster was once experience in over 100 years of accumulated stress, which was released in the second biggest earthquake in a recorded history,” she said.

Now if we ask ourselves, why did God allow this disaster to happen without a warning in Southeast Asia? What can we say about it? Take a look at all these. Why are there: wars, famines, and HIV/AIDS epidemic in the world today? Well Jesus said, when you will see these things happening let you not be amazed, but they must come to pass. If the Bible says about these things, which are happening now, it signaled the beginning of the birth of pain. This is not to scare us, but to make us become proven by God. These disasters such as: earthquakes, pestilence and diseases. They are happening because God wanted us to get ready for His return. The Bible says that these things must happen. This is true, because they are happening before our own eyes. If we don't yield to the call of God in this end time, some of us will be found not ready. If none is found ready for the beauty of heaven, then how awkwardly will it be for one to face the second death by fire in hell, for the rest of his/her second life in hell? This would be like the time of Noah when people were not ready till the flood came and took them away. This is compare for the second coming of our Lord, Jesus Christ. Don't be troubled of what you are seeing now and in the near future.

These things are happening because God is making a wake up call for everyone to be ready. These are those that He had chosen since the foundation of the world. If you think that the Holy Spirit had lead me to talk to you about your walk with the Lord, which may not be worthy of Him, or you have lost the way of God in your life. Take heart! Because God is making this last wake up call for you. He loves us much more than how the world loves us. Let your soul dwell in His presence as King David said in [Psalm: 103:1-5] [NIV] *"Blessed the Lord, O my soul, and all that is within me, blessed his Holy Name. Blessed the Lord, O my soul, and do not forget all his benefits –who forgives all your sins who heals all your diseases, who redeems, your life from the pit, who crowns you with steadfast love and mercy, who satisfies you with good as long as you live, so that your youth is renewed like the eagle"* King David was known to be the kind of a person who was familiar with pains during the course of his life time. He was crowded with lot of enemies, but he had learned to put his entire hope in God alone, despite what happened. If you feel that way, or this way when your soul is troubled within you, learn how to command it to put it hope in God. That it may bless the Lord at all times, because his ways are good. *"So then, dear friends, since you are looking forward to this, make every effort to be found spotless, blameless, and at peace with him. Bear in mind that our Lord's patience means salvation, just as our brother Paul also wrote you with the wisdom that God gave him"* [2<sup>nd</sup> Peter 3:14-15] [NIV]
