This picture shows Rev. Isaac Luk, teaching the Nursing Home Residents skills of how to remember the things they have done during their lifetime. These pictures carry significant memories in the mind of elderly men and women. These pictures help them to remember what they have done in their communities and country. And they ask themselves how important they are in the societies which they lived, because their memories are past through many generations. Sharing the love of God with these fragile members of our societies help their legacy to be past on to many generations to come. It is a blessing for caring for them in decades of many generations.

Isaac Luk's Christian Hope Ministry Outreach Inc, 2008 Sudanese Children and Adults Summer Bible Training.

We are glad to announce the 2008, Sudanese Children and Adults' Summer Bible Training. This group of Sudanese children and adults, who are attending the 2008, Summer Bible Training, are some of the 10,000 Sudanese population, who live in Nebraska. These Sudanese children are very willing to hear the word of God, because they did not had a chance to embrace the love of God in their home country of Sudan. The hostility of African's longest Civil war in Sudan, had made many Sudanese to lose their first love for God. The civil war had killed 2.5 millions, children, women and men. And because of God's grace upon all flesh, this ministry is happy to welcome many children of all ages from Sudan to this awesome Summer program. This is because if children are taught the word of God, when they are

young, they will grow in it. This is reducing the risk for getting into many troubles with the laws. This great program helps many children and adults to stay focus on the word of God. The Holy Spirit of God convicts us daily in our disobedience, when we are not walking in the way of God. So when we hear the word of God, it help us to see our downfall, and then come back to God with broken hearts, that are after healing. And God will surely healed us from many troubles. It is our pleasure to bring this program to your attention, and into our societies. God has call us into this field of hungry souls that need a healing word of Christ. And for sure, Isaac Luk's Christian Hope Ministry Outreach Inc, has been bringing this great Hope to the Hopeless for many years, in Omaha, and Bellevue, Nebraska. We have been preaching this healing word of Jesus Christ, around the world, for eight years, through confer-

ences, and Television programs in Omaha, and Bellevue, Nebraska for eight years.

uses by God, during this time of crisis. They are reaching out the healing word of Jesus Christ to many intergenerational, in Omaha, Bellevue, Nebraska and Iowa.
